1. Claims 38-42, 47-48 and 51 are presented for examination.

Allowable Subject Matter

2. Claims 38-42, 47-48 and 51 are allowable.

The closest prior art are: Article by Shira Levine titled, "Billing with an attitude" which teaches integrating billing information with demographic and other marketing information to integrate existing billing systems into customer management platforms.

Williams et al.(WO 97/41537) which teaches enabling a user to select a payment instrument for use in a particular transaction .

Hogan (5,699,528) which teaches a customer receives an e-mail sent from server computer 160, the server computer 160 having access to subscriber billing data. The e-mail received contains certain information on the bill that is due and instruct the customer on how to access the bill payment data through server computer 160 in order for the customer to receive additional information on the bill that is due by instructing the customer to log into the EBSC's bill payment website (col. 5, lines 62-, col. 6, lines 1-31).

The references fail to teach the specific limitations of independent claims 38, 40, 47 and 50, which require **"transmitting, via the network, an e-mail notice indicating availability of the billing information and transmitting, via the network, at least a portion of the billing information responsive to receipt of the request"**.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
